

Report

(Year 2013-14 to 2017-18)

Soft Skill Development

To cope with the global competencies and marketing world, the college has taken active initiative for providing soft skills for students. The soft skills are provided through the commencement of courses like Tally and Personality Development. Through the course of Tally the students can get the knowledge of data entry, online banking, company creation, preparation of balance sheet, transactions of sell and purchase, tax deduction. Every year 25 to 40 students are benefitted with practical knowledge through the course of tally.

The college is very keen to provide different skill among the students in English the course in Translation and communication skills in English and Personality Development has started in the college.
